

Mixing device tilted

Mixing tool

## Mixing Device Picco

Order number: 12059

Mixing device picco can be used for a lot of materials. The double-hinged mixing arm, the big 40-litre material container and the compact and light-weight design are distinctive features. The powerful motor and the big mixing tool ensure perfect mixing results.

### Technical data

Supply	230 V
Motor power	1.15 kW
Speed - infinitely variable	250 - 580 rpm
Filling height	86 cm
Weight	22 kg
Height / width / length - working position (cm)	125 / 60 / 68
Height / width / length - transport (cm)	86 / 60 / 68

### Delivery range

**Mixing Device Picco:** moving device, motor, three-stage mixing tool with protective ring, 40 litre material container and tilting device

### Advantages

- Compact and light-weight
- Powerful
- Double-hinged mixing arm
- Tilting device

### Material to be used

- Injection mortar
- Cement paste
- Jointing mortar
- Sealing slurries
- Fine filler
